SUB : INTERNSHIP COMPLETION CERTIFICATE

This is to certify that **K.S.Yashwanth Sai**, a Bachelor of Technology student specializing in Computer Science, has successfully completed an internship with **Advingosys L.L.C** from October 11, 2024 to December 10, 2024.

The internship was conducted **remotely**, with all project activities, stand-ups, and review meetings carried out **virtually** in coordination with a **globally distributed team** across different time zones, during this period, he served as a **Full Stack Development Intern** and was instrumental in:

Designing and developing a critical web application using **Java Full Stack technologies** (Spring Boot, React, MySQL). **Hosting and deploying** the solution on the **AWS Cloud Platform**, leveraging services such as **EC2, S3, and RDS** for scalability and reliability. **Integrating AI-based bots** to manage real-time user interactions using Natural Language Processing (NLP), facilitating intelligent automation of request/response workflows. Following Agile development methodologies, collaborating effectively with cross-functional teams via platforms like Zoom, Slack, and Jira.

Yashwanth Sai has exhibited excellent technical aptitude, proactive learning, and strong communication skills throughout the internship period. We appreciate his valuable contributions and wish him great success in future endeavors.
